LOW MOLECULAR FISH COLLAGEN · DAILY STICK

Yorosum Glow *Peptide*

여러숨 글로우 펩타이드

A daily inner-beauty ritual, one stick at a time.

Why it's premium

Smaller molecules. A full daily serving.

300 Da

300 Da average molecular weight

Collagen peptides range from about 200 Da to 30,000 Da. At an average of 300 Da, Glow Peptide sits at the low-molecular end of the scale.

2,000 mg

2,000 mg in every stick

A full daily serving of fish collagen peptide in one 3 g stick, taken once a day.

100 mg

100 mg vitamin C · 100% DV

Every stick covers 100% of the daily value for vitamin C.

Fish collagen only

Sourced from Nile tilapia, catla and Burmese carp.
